

SANNI JAMIU OLADAYO

Software Developer

+234-803-2877-945 sannioladayo16@gmail.com github.com/EmjayTech Lagos, Nigeria

SUMMARY

Experienced Software Developer with 2+ years in designing, developing, and deploying scalable applications. Skilled in JavaScript, Python, and cloud technologies, with a strong foundation in full-stack development and Agile methodologies. Proven ability to drive projects from concept to completion, delivering user-centered solutions. Excellent problem-solving skills and adept at collaborating in cross-functional teams. Passionate about continuous learning and staying updated on emerging technologies.

EXPERIENCE

Software Developer / Tutor

dervacHUB 2024 - Present Lagos, Nigeria

- Responsible for developing and implementing software applications
- Maintaining comprehensive documentation of code, processes, and technical specifications to aid future development and support.
 - Led a project to integrate third-party APIs, reducing data redundancy and improving data quality.
 - Collaborated with other team members to build web applications for secondary schools.
 - Writing clean, efficient, and reusable code, performing code reviews, and optimizing code for performance and scalability.
 - Providing hands-on guidance to junior developers, helping them understand best practices, coding standards, and debugging techniques.
 - Conducting workshops, training sessions, or coding bootcamps on specific tools, languages, frameworks, and methodologies relevant to the team's tech stack.

EDUCATION

PhD. in Neuroscience

University of Lagos 2024 - Present Akoka, Lagos, Nigeria

Master's in Physiology

University of Lagos 2021 - 2023 Akoka, Lagos, Nigeria

Bachelor's in Physiology

University of Lagos 2013 - 2017 Akoka, Lagos, Nigeria

STRENGTHS

- Problem-Solving**
Resolved complex software issues in previous role delivering a 40% reduction in long-standing unresolved problems.
- Collaboration**
Led a cross-functional team of seven developers in the successful execution of a critical project on time.
- Adaptability**
Quickly incorporated new software updates in all projects, ensuring minimal disruption to workflow and maintaining project schedules.

SKILLS

Java	Node.js	Bootstrap		
TailwindCSS	Python	React	HTML	
JavaScript	SQL	NoSQL		
RESTful APIs	Software Testing Principles			

CERTIFICATION

Back End Development & APIs Certification

Completed an advanced course from FreeCodeCamp.

Python for Developers

Completed a Python focused course for developers from Code With Mosh.

Full Stack Web Development

Completed an advanced course from Udemy.

PASSIONS

- Coding**
Enjoy building and optimizing software applications, always on the lookout for new programming languages and techniques to learn.
